VENDED FRONT LOAD WASHER

Leading-edge. That's what Huebsch® stands for. We continuously develop and manufacture laundry equipment that is ahead of the game—like new front load washers with our leading Galaxy™ 600 controls, featuring advanced cycle modifiers to maximize your revenue. These machines offer a 20% larger capacity, and they're more powerful than ever. Our engineers push them to the limit using our 5-step development process to ensure maximum commercial performance and reliability. They're equipped with innovation that delivers ultimate efficiency, lowering your utility bills and making more money for you over the lifetime of your equipment. For customers, this game-changing equipment is designed to provide a laundry experience that is second to none.

CUTTING-EDGE BALANCE SENSING SYSTEM

An updated suspension and new sensing technologies powerfully combine to redistribute loads and maintain cycle times—resulting in less utility costs, shorter wait times and increased turns through your store.

INCREDIBLE 440 G-FORCE

Increased spin speed exerts high G-Force to maximize moisture removal and lower drying times, getting customers in and out of your store faster and ensuring they leave satisfied.

20% LARGER CAPACITY

Increased capacity means bigger loads, which allow for higher vend pricing. In addition, improved water and energy efficiencies lower utility bills and keep more money in your pocket.

10-DEGREE TILTED CONTROL PANEL

Provides improved control visibility and ease of use for the utmost user experience.

INNER & OUTER STAINLESS STEEL TUBS

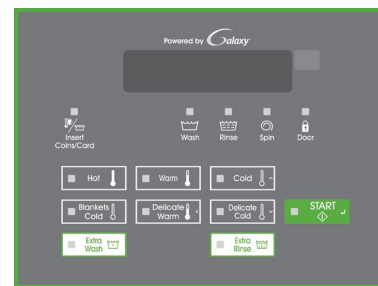

Built for virtually indestructible durability.

UNMATCHED DURABILITY

Commercial-grade quality that will deliver reliable, efficient operation load after load. Built with premium materials and tested to meet the demands of the harshest environments, the entire machine receives Huebsch's standard three-year warranty.*

GALAXY™ 600 CONTROLS

Easy-to-use Galaxy 600 controls offer intuitive operation and simple programming throughout your store with revenue-boosting options such as cycle modifiers (extra wash, extra rinse), multi-level vend, time-of-day pricing, 30 programmable water levels and 24 customizable cycle selections.

HUEBSCH COMMAND™

Intuitive, real-time laundromat data that's custom-made for the way you operate.

Huebsch Command lets you use all features of Galaxy Controls – but now you can access them remotely, from anywhere in the world.
